Name Badges

Skater's Name Badges have been in place for a couple of weeks now. Please note we have changed the process: at the end of the skating lesson, Program Assistants will place a sticker on the cardboard name badge & will hand the badge back to the skater to show you what a great job they did! Please leave the name badge on the SFSC Committee table. Please do not take them home with you. Let us know what you think of the name badges!

Christmas Party & Free Skate

Join us for some holiday festivities on Sat Dec 18! Bake sale & free skate! Watch choreographed routines from Levels 5, 6, 7, & our synchro teams. Our top 3 winners from the SFSC Enhanced Skaters Invitational will also be performing for you!

There are rumours that a jolly old guy in a red suit may be stopping by & joining us for some Ho Ho Ho on ice!
