Skating Pros: Head Pro - Jacqui Kielb;

Pro - Angela Morris

Lead Program Assistant:Nicole Joudin

Welcome to the first day of skating for the 2009-2010 season. If you have any questions or concerns throughout the year please speak to one of the Professionals, a member of the Executive Committee, or a member of the Board of Directors. Each skating session begins with a 10 minute warm up.

After the warm up, skaters divide into groups, which are coached by volunteer program assistants. A Professional will work with each group for a portion each.

40th Anniversary: Welcome to the 40th anniversary year of the Saltfleet Figure Skating Club. On October 17, 2009 we will be hosting an open house to remember and embrace our skating club traditions, which will coincide with "Bring a Friend Day". There will be a bbq, family skate, and other

activities. We look forward to seeing you there.

Skating Pros: The Club has two Professionals for this year; many of you will recognize Jacqui Kielb, as she has been with the club for 14 years. We are pleased to welcome skating Pro Angela Morris, to the Saltfleet Figure Skating Club. If you have any questions regarding your child's progress please speak with the Professional who is working with him/her.

Lead Program Assistants: We are pleased to welcome Nicole Joudin our Lead Program Assistant. Along with Jacqui they have done a wonderful job organizing all of our program assistants. Please remember that our coaching positions are all volunteer, and if you have questions or concerns, they need to be addressed to a member of the executive, Jacqui, Angela, or Nicole. As a parent, you

have every right to express your concerns in regards to your child, however, you are asked not to approach any of our volunteer program assistants.

Newsletters: Throughout the skating season our means of communication with parents is the monthly newsletter as well as the white board located just inside the door to the arena. This is the last hardcopy of the newsletter. From now on you will receive the newsletter via the email you stated on the registration form. The newsletter will also be available on our website. However, it is important that you come into the arena with your child each week to be informed of any updates or changes that may occur.

Miss Saltfleet: Christina Laskowski, who is Miss Saltfleet 2009, did a great job representing us at the Winona Peach Pageant and Festival this summer. Congratulations Christina, we are proud of you!!

Synchronized Skating: Tryouts will begin Sept. 23 & 26. If your child is interested in trying out for a team, please see a committee member or professional, and we can let you know more about it.

Fundraising: Please remember to pick up your fundraising tickets today at the committee office. Don't forget

to bring back the stubs to enter the draw, you may be a lucky winner!

Volunteers: As the Club is run by volunteers, we need your help to ensure that all skaters have a great skating season! Thank you to all the families who came out to participate in the Corn Booth at the Peach Festival, our primary fundraiser. This fundraiser's continued success, due largely to volunteerism, helps to deflect your skater's registration costs.

Medical Forms: If you have not completed the medical form, a committee member may get in touch with you for the required information. Thank you for your support in this matter.

Receipts: Receipts are available on the bulletin board by the committee office.

Web-site: Our web-site is now up and running. This will allow us to show off our skaters, and to pass along pertinent information. This year our website will have updates and any closure notices. If you do not want your child's name or picture to appear on the web-site, please let one of the Board of Directors know.
